

Guest Introduction

Welcome to PACS!

You and your family members are invited to spend a day at PACS as our guests. You may attend all the Workshops and SIGs, the speaker of the day at noon, and any other events and activities. We hope you will find these sessions informative and helpful to your computing and Internet experience. If so, we invite you to join. **For only \$30 per year** you can participate in all the monthly meetings *and* be eligible to win prizes and raffles. We and our speakers give away some pretty neat stuff.

Please print this sheet or pick up a copy at a meeting, circle the month of your visit, and tell us a little about yourself below so we can communicate with you. Then turn it in at the Membership Desk just outside the Auditorium. And while you're at it, introduce yourself and chat a bit. We byte but don't bite.
